ABOUT THE STATE.

Items of Interest Gleaned from Our Exchanges.

Thomas Jones who disappeared six weeks ago, returned to his home in Poultney Saturday.

Louis Lanciau of Plainfield has a Holstein cow that gave birth, March 30, to a calf weighing ninety-six and three-quarters pounds.

Repairs costing \$600 have recently been completed on the Congregational parsonage at Lyndonville. A series of Sunday afternoon meetings for men is being held in Darling's hall and they are largely attended.

With the opening of spring the indications are that the slate industry in Poultney will experience the best season it has known for years. The granite and marble business also throughout the state is promising.

The lumber mill of F. M. Plumley of Shelburne was burned to the ground Tuesday. The fire caught from a stove, and could not be checked because of the high wind. The loss is \$4,000, with insurance of \$1,500. Twelve men are thrown out of work.

L. S. Doten, formerly of Burlington, who for the past three years has been connected with army headquarters in Boston, has been transferred to Washington. He was engaged in Boston in the construction of barracks, and will look after similar work in Washington.

A singular coincidence in the funeral of Mrs. Julia (Holmes) Smith, which was held at the home of her son, Ralph H. Smith, in Charlotte Saturday afternoon, April 1, at 2 o'clock, is that the funeral of her husband, B. F. Smith, was held at the same house, exactly ten years ago at the same hour.

L. E. Reagan and Frank Wheeler, who it is claimed, swindled Nathan Saunders of Bennington out of his house in South Shaftsbury, were in Bennington recently with the intention of settling the matter with Saunders. The attempt was not a success. It is said that they offered \$300 to straighten things up, and this Mr. Saunders was not willing to accept.

A FACT PROVEN.

Should Convince Even the Most Skeptical of Its Truth.

If there is the slightest doubt in the minds of any that Dandruff germs do not exist, their belief is compelled by the fact that a rabbit inoculated with the germs became bald in six weeks' time. It must be apparent to any person therefore that the only prevention of baldness is the destruction of the germ—which act is successfully accomplished in one hundred per cent. of cases by the application of Newbro's Herpicide.

Dandruff is caused by the same germ which causes baldness and can be prevented with the same remedy—Newbro's Herpicide.

Accept no substitute. "Destroy the cause you remove the effect."

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.

by George Gould's to the Whittier hill, thence to Folsom's and to the Molly's brook road, then to the place of beginning, making a distance as reported of about twenty-five miles. By this rural free delivery arrangement the daily stage route from West Danville to Marshfield, which has always been such an accommodation to the people in that section will probably be discontinued and we hear that so many are opposed to the discontinuance of this route that a remonstrance is in circulation asking the government to discontinue the rural free delivery instead of the mail route.

WEBSTERVILLE.

John Genero's baby is gaining.

P. M. Crowley was in Burlington Saturday on business.

It is expected that Jas. Geake will soon start his quarry.

Mrs. Spofford of Woodville, N. H., was in town Tuesday on business.

Oscar Genero has recently purchased a heavy horse from A. M. Morrison to work on his stone team.

Olive Walker, who has been visiting at her aunt's, Mrs. J. A. Cummings, returned Monday to her home in Tilton, N. H.

The sale of T. W. Eagan's personal quarry property was not very well attended. The National Bank of Montpelier bid in everything.

A SHOW WORTH SEEING.

The Herald Square Comedy company promises an attraction of rare excellence, consisting of high-class specialties and the latest novelties in moving pictures. In the former list are several deserving of particular attention. Another feature, always enjoyed, will be found in the illustrated songs, which embody some of the very latest hits. Some of these illustrations are moving pictures instead of the usual song slides. The moving pictures offered cover the very latest comical and sensational subjects, including "Reuben and Mandy at Coney Island," "Life of an American Fireman," "Uncle Tom's Cabin," "The Great Train Robbery," and battles of the present Russo-Japanese war, Roosevelt's Inauguration, all of which can be seen with The Herald Square Comedy and Moving Picture Company, which will appear at Barre Opera House, Saturday matinee and evening, April 8th.

For A General Creamery.

Montpelier, April 6.—Articles of association were filed at the office of the secretary of state yesterday by the Farmers' Cooperative Creamery association. This company is organized for the purpose of carrying on a general creamery business in East Randolph. The capital stock of the company is \$3,500 divided into 100 shares of a par value of \$5 each. The five signers of the articles are all residents of East Randolph and their names are Herbert L. Newell, Sprague & Sprague, Simeon B. Waldo, Fred E. Smith, Stephen H. Turner.

Cheated Death.

Kidney trouble often ends fatally, but by choosing the right medicine E. H. Wolfe of Bear Grove, Iowa, cheated death. He says: "Two years ago I had kidney trouble, which caused me great pain, suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble and keep them constantly on hand since, as I find they have no equal." The Red Cross Pharmacy guarantees them at 50c.
